## Exploring Fascinating Life Jesus Matthew John

**monotheistic religions - arab american national museum** - monotheistic religions introduction the rise, development, and spread of monotheism (the belief in one god), is one of the most significant and fascinating dimensions of **the whole biblical narrative: a holistic reading** - in the first forty years of my life i had a confused relationship with the bible. i got bible stories that left me with a vengeful old god and a limp-wristed jesus.
